

**BERNSTEIN**Division
Sensortechnik**Technical Data****Magnetic Float Switch**Type: **MAP-VST-FLS120**Art-No.: **688.0226.002**Date: **16.03.1999/2068****Technical Data :**Protection class :IP 65 acc.to DIN VDE 0470 T1
IEC 529, EN 60529Output funktion :adjustable switching points on a 10mm scale
Devices without switching modules.Matching switching modules :Art.-No.: 491.0007.069 N.O. / N.C. contact
Art.-No.: 491.6007.075 switch-over contactTemperature range :

-5°C to +100°C

Mechanical Data :

Terminal box	: G-AISI37 (3.2581.01)
Float	: X 6 CrNiMoTi 17 12 2 (1.4571)
Switching tube	: CuZn37 (2.0321)
Protective housing	: AlCuMgPb (3.1655)

Standard :acc. to DIN VDE 0660 T200 IEC 947-5-1,
EN 60947-5-1

There are separate data sheets for the technical data of the switching moduls. Please request.
