

Product Modification Notice

Dear Valued Customers,

Our LK10 UL style rotary disconnect handles are undergoing an appearance change.

Old Design

New Design

Impact of Change:

- Product maintains all UL Type Ratings and IEC IP Ratings
- No change in features or functionality

Reason for Change:

- Modernizing handle appearance

Scope of Change:

- LK10 UL and LK10 Y/R UL rotary disconnect handles
- OKA/KU series door mounting kits for KU switches
- KEM series enclosed disconnect switches from 16-80A
- KET series enclosed disconnect switches from 16-80A
- KEA series enclosed disconnect switches from 16-80A
- KER series enclosed disconnect switches from 16-80A
- Affects black and red versions of handles

Effective date of Change:

- 2 October 2024

If this creates a problem, please contact Altech to see how we can assist.

Sincerely,

Klaus Tum
Product Director
