Re: **Manufacturer's Certification
Restriction of Hazardous Substances (ROHS)**

In response to the European Commission's directive to ban hazardous substances in electrical and electronic products sold in Europe effective July 1, 2006, we certify now that the materials used to manufacture the products sold to Altech Corp. do not contain the following:

- Lead
- Mercury
- Cadmium
- Hexavalent
- Chromium
- Polybrominated Biphenyls
- Polybrominated Diphenyl Ethers

Yours truly,
