

Altech[®] Components you can trust when designing medical equipment

Medical Foot Switches designed to your specifications.

- Available in 1, 2 and 3 pedal designs
- Robust and slip resistant
- High quality materials, such as Aluminum cast alloy and reinforced polyamide
- Environmental protection level up to IP X8 per IEC/EN 60529
- IEC 60601-1 certification
- Easily cleaned and hygienic
- Ergonomic design with intuitive actuation
- Custom colors, markings, circuits, cable types and lengths available

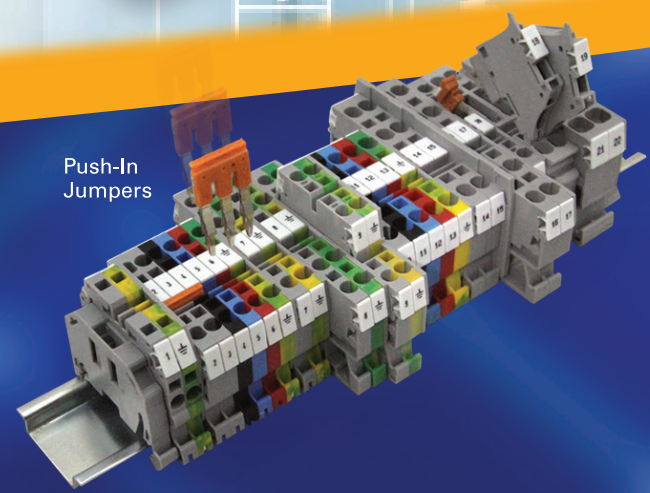

Circuit Breaker Protection

- 2 lines of UL 489, UL 508 and UL 1077 available
- 1, 2 and 3 poles (4 poles upon request)
- Many trip characteristics
- Unique dual connection terminals
- On/OFF indicator window
- AC or DC UL489
- UL508 Manual Motor Controllers "Suitable as Motor Disconnect"
- UL1077 Recognized Supplementary Protectors

UL Ground Fault Equipment Protectors

- GFL Series (5A - 40A)
10kA UL489 Listed Branch Circuit Breaker with Equipment Ground Fault Protection (RCBO)
- GF Series (up to 63A)
480Y/277V AC Ground Fault Sensing and Relaying Device (RCCB)
- GFR Series (5A - 40A)
480Y/277V AC Ground Fault Relay with Overload Protection (RCBO)

Push-In Jumpers

Terminal Blocks

- Wide Range of Terminals
- Screw clamp, spring clamp and panel
- Power Distribution
- Disconnect & Test Terminals
- Fuse Terminals
- High Current and High Voltage
- Many Accessories

All-In-One DC-UPS Backup

- Power Supply Unit
- Battery Charger
- Battery Care Module
- Backup Module
- Input 110-230-277V AC
- Outputs*: 12V, 24V, 48V up to 10A
- UL Recognized
- For most types of batteries, including lithium ion

* other configurations on request

Liquid Tight Strain Reliefs

- Full line of Standard and Industrial Series
- Available in polyamide, nickel-plated brass and stainless steel
- Straight-through, strain relief, bend protection, pull/bend protection, flat cable, multi-conductor and EMI/RFI functions
- Available in PG, Metric and NPT thread sizes
