

Don't let a GROUND FAULT shut down your production.

Altech INTRODUCES the most complete Lineup

of UL Ground Fault Equipment Protection.

CAL. W/EG.GFP
E480494

1st in the industry

UL 489

Branch Circuit Breaker with Ground Fault Relay

- 1+N and 2+N poles
- 240V AC and 120/240V AC
- Rated Current 5 - 40A
- Rated Short Circuit Interrupt Capacity 10kA
- Rated Frequency 50/60Hz
- Overload tripping B, C and D

Ground Fault Sensing & Relaying Equipment
E483493

UL 1053

Ground Fault Sensing and Relaying Device

- 2 and 4 poles
- 277V AC and 480Y/277V AC
- Rated Current 25, 40 and 63A
- Rated Short Circuit Withstand Capacity 10kA
- Rated Frequency 50/60Hz

Ground Fault Sensing & Relaying Equipment
E483493

UL 1077

Ground Fault Relay with Overload Protection

- 2 and 4 poles
- 277V AC and 480Y/277V AC
- Rated Current 5 - 40A
- Rated Short Circuit Withstand Capacity 10kA
- Rated Frequency 50/60Hz
- Overload tripping B, C and D
